

# Effective Teaching is effective teaching no matter where it occurs!

From the overview of *The Distance Learning Playbook* by Douglas Fisher Rosalind Wiseman, Nancy Frey, John Hattie

## Teachers, Administrators, Parents

### **\*\* Open to both NFRC members and non-members**

We invite you to join the NFRC for the **second** meeting of our Professional Book Club as we support each other through a continuation of our discussion of distance teaching and learning using **The Distance Learning Playbook** as our guide.

- ❖ Share tips and technology for connecting with and engaging your students.
- ❖ Share ways you've managed your stress and that of your students.
- ❖ Share ways you are offering feedback, completing assessments, and grading.

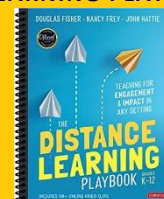

"The most valuable resource that all teachers have is each other. Without collaboration our growth is limited to our own perspectives"

--Robert John Meehan

**Let's come together to inspire and motivate each other to meet the challenges we face with renewed vigor and enthusiasm!**
